

QUICK BELT ENQUIRY

Not sure about the specifications? Start with a photo.

Send belt photos and any dimensions you know. We will help confirm the details.

This form is optional. You can contact us directly by email or WhatsApp.

Fill in what you know. Photos alone are enough to start your enquiry.

01 How can we reach you?

Your name

Company (optional)

Email or WhatsApp number - one is enough

02 What do you need?

I am looking for...

Belt width (mm) - if known

Total belt length (m) - if known

Belt length means the full loop length, not the conveyor length or shaft spacing.

Product / process, quantity and delivery needs - fill in what you know

03 Send any photos or drawings you already have

Replacement: a belt overview, mesh close-up or edge / drive photo can help.

New conveyor: send a layout sketch or drawing, if available. Any format is fine.
